

# BADIMAYA PEOPLE

EXHIBITION  
PRESENTING  
NEW WORKS BY  
ARTISTS FROM  
BADIMAYA

KAMILÉ GALLERY

‘There is a lot of difference between me and you. It is not just the colour of our skin. I can live in your world, but can you live in mine?’

- Merle Carter a senior cultural woman of the Miriwong Gajerrong and Bunuba tribes

KAMILÉ GALLERY supports A Voice to Parliament that will give Indigenous communities a route to help inform policy and legal decisions that impact their lives. We deeply believe that giving indigenous people a right to say will lead to more effective results to the communities and towards protecting Australia's native flora and fauna.

KAMILÉ GALLERY is pleased to present BADIMAYA PEOPLE, a second group exhibition together with Wirnda Barna Art Centre representing Aboriginal

Artists from Badimia and Wajarri Country based in Mount Magnet and surrounding areas.

Artists draw inspiration from the rich landscape, spectacular wildflower season in Spring and important cultural sites of the region including the Granites, Wilgie Mia Aboriginal Ochre Mine, Australia's largest ochre mine and Walga Rock, Western Australia's largest gallery of Aboriginal rock paintings.
